

Question ID: 686b7cad

Question

A proposal for a new library was included on an election ballot. A radio show stated that **3** times as many people voted in favor of the proposal as people who voted against it. A social media post reported that **15,000** more people voted in favor of the proposal than voted against it. Based on these data, how many people voted against the proposal?

Answer

A. **7,500**

B. **15,000**

C. **22,500**

D. **45,000**
