

Question ID: 0f040c50

Question

The following text is from Yann Martel's 2001 novel *Life of Pi*. The narrator's family owned a zoo when he was a child.

It was a huge zoo, spread over numberless acres, big enough to require a train to explore it, though it seemed to get smaller as I grew older, train included.

As used in the text, what does the word "spread" most nearly mean?

Answer

- A. Hidden
- B. Discussed
- C. Extended
- D. Coated
