Question

Ezra Pound’s poetry can be hard to ____: it is dense, experimental, and so full of references and allusions that many readers have a difficult time even identifying the poems’ subjects.

Which choice completes the text with the most logical and precise word or phrase?

- Answer**
- A. comprehend
 - B. dislike
 - C. interrupt
 - D. overlook

Correct Answer: A

Rationale

Choice A is the best answer because it most logically completes the text’s discussion of Ezra Pound’s poetry. In this context, “comprehend” would mean to understand or grasp the meaning of something. The text describes Pound’s poetry as “dense” and “experimental,” with many references that readers may not understand. The text also states that many readers may not even be able to identify a poem’s subject. This context clearly suggests that readers struggle to understand Pound’s poetry as a result of its complexity and obscure references.

Choice B is incorrect. To say that Pound’s poetry is “hard to dislike” would suggest that people generally like it, but the text doesn’t focus on how likeable or enjoyable the poems are; rather, it focuses on how challenging many readers find it to understand them. Choice C is incorrect. To say that Pound’s poetry is “hard to interrupt” would mean that it is hard to stop or break into it while it’s being read or recited, but the text doesn’t discuss any such breaks; instead, the text focuses on the challenge of understanding the content of Pound’s poems. Choice D is incorrect. In this context, “overlook” would mean look past or fail to notice, so to say that Pound’s poetry is “hard to overlook” would mean that it is very likely to be noticed. The text focuses on the difficulty people have in understanding Pound’s poems when reading them, not how noticeable his poetry is in the first place.
