Question

The Alaska Native Language Archive (ANLA) is known for its impressive audio collection. _____ the ANLA has more than 5,000 audio recordings of Native Alaskan languages dating as far back as 1943.

Which choice completes the text with the most logical transition?

Answer

- A. In fact,
- B. After,
- C. Regardless,
- D. Instead,

Correct Answer: A

Rationale

Choice A is the best answer. "In fact" logically signals that the information in this sentence about the large number of recordings in ANLA's collection emphasizes and supports the previous claim that ANLA is known for its impressive audio collection.

Choice B is incorrect because "after" illogically signals that the information in this sentence occurs later in a sequence of events than the previous claim about ANLA's impressive audio collection. Instead, the information about the large number of recordings emphasizes and supports that claim. Choice C is incorrect because "regardless" illogically signals that the information in this sentence is true despite the previous claim about ANLA's impressive audio collection. Instead, the information about the large number of recordings emphasizes and supports that claim. Choice D is incorrect because "instead" illogically signals that the information in this sentence presents an alternative to the previous claim about ANLA's impressive audio collection. Rather, the information about the large number of recordings emphasizes and supports that claim.
