Question

Voting members of the 2002 Latin Grammys were impressed by Banda Cuisillos’s album *Puras Rancheras Con Cuisillos* and its contribution to the banda genre, a form of regional Mexican music featuring large ensembles of wind instruments and drums that first developed in southern and central Mexico in the mid-nineteenth century. _____ they awarded the group the Best Banda Album award.

Which choice completes the text with the most logical transition?

Answer

- A. In contrast,
- B. Meanwhile,
- C. Nevertheless,
- D. Accordingly,

Correct Answer: D

Rationale

Choice D is the best answer. "Accordingly" logically signals that the information in this sentence—that the voting members awarded Banda Cuisillos the Best Banda Album award—is in accordance with, or results from, the previous information about the voters being impressed by Banda Cuisillos’s album.

Choice A is incorrect because "in contrast" illogically signals that the information in this sentence contrasts with the previous information about voting members being impressed by Banda Cuisillos’s album. Instead, the voters’ decision to give the group the Best Banda Album award is in accordance with, or results from, that information. Choice B is incorrect because "meanwhile" illogically signals that the information in this sentence is separate from (while occurring simultaneously with) the previous information about the voting members being impressed by Banda Cuisillos’s album. Instead, the voters’ decision to give the group the Best Banda Album award is in accordance with, or results from, that information. Choice C is incorrect because "nevertheless" illogically signals that the information that follows is despite the information about the voting members being impressed by Banda Cuisillos’s album. Instead, the voters’ decision to give the group the Best Banda Album award is in accordance with, or results from, that information.
