Assessment	Test	Domain	Skill	Difficulty
SAT	Reading and Writing	Standard English Conventions	Boundaries	Easy

Question

At eight paragraphs long, the preamble to the constitution of _____ country in Western Asia—is much longer than the one-paragraph preamble to the United States Constitution.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. Bahrain—a
- B. Bahrain, a
- C. Bahrain a
- D. Bahrain: a

Correct Answer: A

Rationale

Choice A is the best answer. The convention being tested is the punctuation of a supplementary element within a sentence. The dash after “Bahrain” pairs with the dash after “Asia” to separate the supplementary element “a country in Western Asia” from the rest of the sentence.

Choice B is incorrect because a comma can’t be paired with a dash in this way to separate the supplementary element from the rest of the sentence. Choice C is incorrect because it fails to use appropriate punctuation to separate the supplementary element from the rest of the sentence. Choice D is incorrect because a colon can’t be paired with a dash in this way to separate the supplementary element from the rest of the sentence.
