Question

Featuring works by the photographers Lola Álvarez Bravo and Else “Yva” Neuländer-Simon, the 2021 exhibition *The New Woman Behind the Camera* set out to provide a wide-ranging overview of photography by women in the 1920s through the _____ given the collection’s breadth of more than 120 photos, its efforts were largely successful.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. 1950s, and
- B. 1950s and
- C. 1950s
- D. 1950s,

Correct Answer: A

Rationale

Choice A is the best answer. The convention being tested is the coordination of main clauses within a sentence. This choice correctly uses a comma and the coordinating conjunction "and" to join the first main clause ("Featuring...1950s") and the second main clause ("given...successful").

Choice B is incorrect because when coordinating two longer main clauses such as these, it’s conventional to use a comma before the coordinating conjunction. Choice C is incorrect because it results in a run-on sentence. The two main clauses are fused without punctuation and/or a conjunction. Choice D is incorrect because it results in a comma splice. Without a conjunction following it, a comma can’t be used in this way to join two main clauses.
