Question

“He was just the man for such a place, and it was just the place for such a man.” This line is from Frederick Douglass’s autobiography *Narrative of the Life of Frederick Douglass* (1845). It’s an example of antimetabole, a writing technique that _____ emphasis by repeating a statement in a reversed order.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. create
- B. are creating
- C. have created
- D. creates

Correct Answer: D

Rationale

Choice D is the best answer. The convention being tested is subject-verb agreement. The singular verb "creates" agrees in number with the singular subject "technique." Choice A is incorrect because the plural verb "create" doesn’t agree in number with the singular subject "technique." Choice B is incorrect because the plural verb "are creating" doesn’t agree in number with the singular subject "technique." Choice C is incorrect because the plural verb "have created" doesn’t agree in number with the singular subject "technique."
