Question

According to the traditional RYB (red-yellow-blue) color model, yellow is a complementary color to purple. However, yellow _____ considered complementary to blue in modern color theory.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. is
- B. having been
- C. to be
- D. being

Correct Answer: A

Rationale

Choice A is the best answer. The convention being tested is the use of verb forms within a sentence. A main clause requires a finite (tensed) verb to perform the action of the subject (in this case, "yellow"), and this choice supplies the present tense verb "is considered" to indicate that yellow is considered a complementary color to blue in modern color theory.

Choice B is incorrect because it results in an ungrammatical sentence. The nonfinite participle "having been considered" doesn't supply the main clause with a finite verb. Choice C is incorrect because it results in an ungrammatical sentence. The nonfinite to-infinitive "to be considered" doesn't supply the main clause with a finite verb. Choice D is incorrect because it results in an ungrammatical sentence. The nonfinite participle "being considered" doesn't supply the main clause with a finite verb.
