Question

Eighteen letters written by Louisa May Alcott, author of the popular novel *Little Women* (1868), can be found at the New York Historical Society. _____ letters demonstrate Alcott’s keen business sense in her interactions with publishers.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. One
- B. That
- C. This
- D. These

Correct Answer: D

Rationale

Choice D is the best answer. The convention being tested is the use of determiners in a sentence. The plural determiner "these" agrees in number with the plural noun "letters" that it modifies. This choice clearly indicates that the letters demonstrate Alcott’s business sense.

Choice A is incorrect because the singular determiner "one" doesn’t agree in number with the plural noun "letters." Choice B is incorrect because the singular determiner "that" doesn’t agree in number with the plural noun "letters." Choice C is incorrect because the singular determiner "this" doesn’t agree in number with the plural noun "letters."
