Question

On March 27, 2004, after nine years as a professional boxer, Isra Girgrah retired. The Yemeni American athlete _____ her career with a record of twenty-eight wins, three losses, and two ties.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. finish
- B. has been finishing
- C. finished
- D. will be finishing

Correct Answer: C

Rationale

Choice C is the best answer. The convention being tested is the use of a verb to express tense in a sentence. In this choice, the past tense verb “finished” is consistent with the other past tense verb (“retired”) used to refer to Girgrah’s retirement in 2004.

Choice A is incorrect because the present tense verb “finish” isn’t consistent with the other past tense verb (“retired”) used to refer to Girgrah’s retirement in 2004. Furthermore, the plural verb “finish” doesn’t agree in number with the sentence’s singular subject “The Yemeni American athlete.” Choice B is incorrect because the present perfect progressive tense verb “has been finishing” isn’t consistent with the other past tense verb (“retired”) used to refer to Girgrah’s retirement in 2004. Choice D is incorrect because the future progressive tense verb “will be finishing” isn’t consistent with the other past tense verb (“retired”) used to refer to Girgrah’s retirement in 2004.
