Question

Anthropologist Livia Barbosa, of the Universidade Federal Fluminense in Brazil, _____ food and sociability in contemporary Brazil—specifically, how foods such as cabidela (a rice and rabbit dish) and churrasco (a barbeque dish) function as central mechanisms in building social relationships, values, and identities.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. studies
- B. are studying
- C. have studied
- D. study

Correct Answer: A

Rationale

Choice A is the best answer. The convention being tested is subject-verb agreement. The singular verb "studies" agrees in number with the singular subject "anthropologist Livia Barbosa."

Choice B is incorrect because the plural verb "are studying" doesn't agree in number with the singular subject "anthropologist Livia Barbosa."

Choice C is incorrect because the plural verb "have studied" doesn't agree in number with the singular subject "anthropologist Livia Barbosa."

Choice D is incorrect because the plural verb "study" doesn't agree in number with the singular subject "anthropologist Livia Barbosa."
