Question

Archaeologists studying the ancient city of Pompeii in Italy recently discovered a well-preserved food shop known as a *thermopolium*. The site contains food remains, artworks, and decorations. These items give researchers a better understanding of what daily life in Pompeii may have been like. For example, the archaeologists found a ceramic jar that they believe likely contained a meat and seafood stew.

Which choice best states the main purpose of the text?

Answer

- A. To compare ancient artworks with modern ones
- B. To discuss the political system of Italy
- C. To present a recent archaeological discovery
- D. To describe a region's climate
