Question

While researching a topic, a student has taken the following notes:

- Little is known about the life of Wong Fei-hung (1847–1925).
- He was born near Foshan, China, and gained local recognition as a physician and Hung Ga (also known as Hung Gar) Kung Fu master.
- He achieved many incredible martial arts feats—some confirmed and some rumored.
- He has become an internationally known folk hero thanks to his depiction in over a hundred films, television shows, and other media.
- In the 1991 film *Once Upon a Time in China*, actor Jet Li portrays Wong Fei-hung using superhuman kung fu abilities to save his community.

The student wants to emphasize the effect media had on building Wong Fei-hung’s legacy. Which choice most effectively uses relevant information from the notes to accomplish this goal?

Answer

- A. Thanks to his depiction in over a hundred pieces of media, Wong Fei-hung was locally known as a successful physician and Hung Ga Kung Fu master.
- B. Though he was known locally during his lifetime, Wong Fei-hung’s later depiction in television, film, and other media has turned him into an internationally known folk hero.
- C. Various media have depicted Wong Fei-hung, the successful physician and kung fu master who became an internationally known folk hero.
- D. Wong Fei-hung’s abilities as a kung fu master are depicted in many media, including the 1991 film *Once Upon a Time in China*.

Correct Answer: B

Rationale

Choice B is the best answer. The sentence emphasizes the effect media had on building Wong Fei-hung’s legacy, noting that media depictions after his lifetime turned Wong Fei-hung into an internationally known folk hero.

Choice A is incorrect. While it appears to emphasize the effect of media depictions of Wong Fei-hung, the sentence misrepresents information from the notes. According to the notes, media depictions resulted in Wong Fei-hung becoming an internationally known folk hero, not a locally known physician and kung fu master. Choice C is incorrect. The sentence discusses Wong Fei-hung’s legacy, noting that he became an internationally known folk hero, but it doesn’t emphasize the effect media had on building that legacy. Choice D is incorrect. The sentence indicates that Wong Fei-hung has been depicted in many media but doesn’t emphasize the effect of these media depictions on building his legacy.
