Question

Midway through her 1968 jazz album *A Monastic Trio*, Alice Coltrane switches instruments, swapping the piano for the harp. With the same fluid style that Coltrane was famous for on piano, she _____ her fingers across the harp strings and creates a radiant sound.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. sweep
- B. are sweeping
- C. were sweeping
- D. sweeps

Correct Answer: D

Rationale

Choice D is the best answer. The convention being tested is subject-verb agreement. The singular verb "sweeps" agrees in number with the singular subject "she," which refers to Alice Coltrane.

Choice A is incorrect because the plural verb "sweep" doesn't agree in number with the singular subject "she." Choice B is incorrect because the plural verb "are sweeping" doesn't agree in number with the singular subject "she." Choice C is incorrect because the plural verb "were sweeping" doesn't agree in number with the singular subject "she."
