Question

Tracy Fullerton's *Walden, a game*, an unlikely fusion of the writings of nineteenth-century transcendentalist Henry David Thoreau with today's open-world video games, _____ players to explore a digital version of Walden Pond, the idyllic natural setting featured in Thoreau's book *Walden*.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. invites
- B. invite
- C. are inviting
- D. have invited

Correct Answer: A

Rationale

Choice A is the best answer. The convention being tested is subject-verb agreement. The singular verb "invites" agrees in number with the singular subject "Tracy Fullerton's *Walden, a game*."

Choice B is incorrect because the plural verb "invite" doesn't agree in number with the singular subject "Tracy Fullerton's *Walden, a game*." Choice C is incorrect because the plural verb "are inviting" doesn't agree in number with the singular subject "Tracy Fullerton's *Walden, a game*." Choice D is incorrect because the plural verb "have invited" doesn't agree in number with the singular subject "Tracy Fullerton's *Walden, a game*."
